坊主と蜘蛛一巻

I
am

ob-
sessed
about
mon-
sters.

That'd
be
okay,
right?

A monk's
body be-
longs to
Buddha.

I'm not
talking
about any-
thing reck-
less

Please
don't
make me
embar-
rass you

Even though you are this hot.

Haha, stop it.

It's not like your party will go away while we're here in the woods.

Please don't joke with me.

If you touch my body carelessly, you'll be punished.

Let's go to the afterlife, monk.

Hey.

Ha ha ha

What... What's going on?

Please have mercy on me.

Master,
did you
know?

That this
flower here
has both male
and female
seeds and it
can make
children by
itself.

...I wanted
to be born
as a flower.

You
do it
like
this...

You
rub it
here.

The yellow
stuff is the
offspring.

And so
when the
flower
drops, it
can make
seeds.

Next year
here'll be
many
blooming
flowers.

You've improved a lot.

Obsessed about momsters.

Ah...
Ahh...
Master

Master...

Hi...

Hah

Ha

It's all
sticky.

It's been
2
years
since
then.

I raised my
voice
thinking
they were
a human
and that's
when my
luck
ended.

All...
went in--

Master!

Ah

There
is no
such
feeling.

Are you
even
listening?

But
inside
it's

what
master
like
me
feeling

Well didn't
you just
splash
water
all
over
me!

Master's
body is
so
chilly--

Are you
cold?

Just
move
al-
ready!

Ah--
Master

I'd be so
happy if
we'd be
only like
this--

Don't
mess
with
me!

Ha...

Master

Does it feel good?

Ah

It's good, right?

There's no one who can make you feel so good like I can.

Inside my hood

My body too

Ah

Ah

Every-thing feels like it's melting

There's no one else than me who could touch your places like this.

Isn't that right?

Master is mine.

Is this pleasure something that I can hold back from?

Shut
up, you
damn
brat!

Get...

I laid
my eyes
on him
first.

He's
mine!

Woah!

That
voice...

It's the
lady
from
before!

Don't
you
spew
that
selfish
shit!

You all
right?

Yeah

Shit

The pol-
len's start-
ing to eat
me.

Although I
know almost
nothing about
flowers, I
think that
was
the pollen.

That's what
you get!
Look, I cut off
its dick!

After flying
on to Mas-
ter's body,
it's gonna
eat him?

Gees

Calm down

Hey
you...

But then
what did
that
thing
really
eat?

Thank-
fully it
was just
a tree's
branch.

Dumme,
idiot,
potato
head!

I
thought
you
died!

Master
you
idiot!

Please stop
crying
already...

Idiot!

If you touch
me, you're
gonna get
super sad too.

What's
that
thing?

I...
How could I
have been
tricked so
badly!

Look.

This is the
monsters
actual
shape.

In particular, this gas has made more work, not less.

For plants, this is like their liver.

**'You haven't
seen this?'**
**There is no
doubt.**

100

They're
quite
tasty.

Well, it's

Okay

Huh

We

earlier.

easily.

every-

dead.

Everyone's

...

Good morning, Master

the

I was so lonely because you just wouldn't wake up~

Hey

Oh

Who are you guys?

Huh?

If we hadn't found him, he would've been eaten by a monster.

You're quite easygoing even after your master was caught by a monster.

Me?

What are you?

His brother?

I'm really sorry for troubling you.

*Rasoch

What do you mean, a monster? I wouldn't eat Master

I'm very grateful

Everyone here were undoubtedly sent from Heaven to help me.

On this land, me and my student strengthened our bonds by wrestling a bit.

I, a humble monk, am preaching and pilgrimaging around the country to attain a peace of mind.

It hurts. Master

So we'll hurry on on our journey.

I'll never forget this land.

Master, what are saying?

Ah! What a miracle!

Just shut up!

Buddha might just have
guided us to you.

What's
really
scary is

That's our
village.

We
dugged
the earth
for rotted
grass
roots and
ripped
bark off of
the trees
and ate it.

At last,
I found
boats.

That summer
it didn't
rain at all, the
fields dried
up, and you
could see fish
on the bot-
toms of rivers
and swamps.

There
were
more
people
dead
than
alive.

They were
on the
ground.

First died the
women, chil-
dren, the eld-
erly and the weak
ones. There were
even babies who
had lost weight.

They were
thrown in to
the wilderness
near the out-
skirts of the vil-
lage without
graves.

In those
days, we
didn't even
have the
strength
to mourn
the dead.

Like I'd know.

Wouldn't and fast?

Clean up as ready and let's beat it.

It's gonna be a pain in the ass, so I guess we should just go away.

Oh-why?

It's been a while since you lived in a humans nest, right Master? I think we shouldn't hurry.

Since I know no one other than Master, I'm having so much fun!

Don't speak like you know it all!

The more the merrier, right?

Whoa?

Mind
your
own
business!

Friends
?!

Since
when did
I want to
be with
other
people?

Washer
...

And to
begin with,
what was
stupidly big
cousin?

You shouldn't
prattle all the
time in front of
people.

Since you
made that
thing, it's
been only
trouble to
me!

Are-
Are
you all
right
in
there?

I
brough
the
beds!

Sougen-
sama?

You see
what
people are
scared of
in the first
place...

I'll bring you
dinner later,
so please go
to rest early
today

Dinner

We were just
cleaning our
beds before
the ceremony

Thank
you so
much
for
that

Did I
disturb
you?

No

I'd like to
have the
ceremony
as fast as
possible.

Clean up
already and
let's go. I can't
take this any
longer

I appreciate
your feel-
ings, but
letting the
spirits
wander free
longer than
this will be
bad

That
really
is bad

What's going on, you and the food are both tipped over, what scene...

really are a horrible sleepwalker.

You

Master

I thought I was going to die.

I...

I was so scared...

Are you still sleep-talking?

It doesn't hurt any more

MASTER!

Woah

Usually

Oh?

Master

It's...
back.

...Huh?

What, are you
hungry?

What's
wrong?

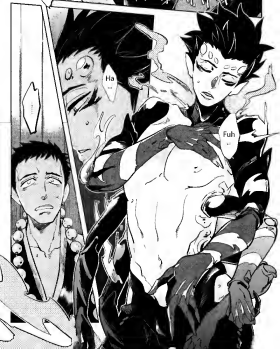

That's be-
cause you
didn't eat
properly

Oh

Say that you are shedding next time!

When I shed my skin, I grew bigger

Like I
know

When
you
know
where
we're
going,
please
tell me

I want to
go to place
where
there are
no people

坊主目蜘蛛一参

Master
...

Master,
where
are we
going?

That's why...

I think
nothing
can pass
through
this way...

Shut
up.

If you move
recklessly in
the moun-
tains before
dawn, even
a way like
this could
be hard to
get
through.

坊主と蜘蛛一参

Master

Master...

Master!

Shit...

Why...

Why!

How wouldn't
have the self-
confidence to
help someone
failing without
hesitation

Well...

I guess it's
you either
try or you
die...

You idiot!

Even though you said that you didn't want to be touched...

Am I really that unreliable?

Why did you go and fall alone?

Why do you always leave me out of the loop?

What's that?

Ah

It really is weird...

Even with that big body of his, he's still like a kid!

Did looking at unusual things fix the mood?

Fox?

I borrowed the power of the Nine-Tailed fox.

Amazing!!

Oh

Is there even
anyone who
would just
suddenly
poke a tail?

His face

fluffy and
soft!

itching

Do you

show me
some more?

Hey

become so
weak that
I can't just
pinning
down my
tail.

I got no
strength

And to use
the Fox's
power like
this, it's
going to
get painful.

Now I
look
like an
idiot.

Whoooo

In the first
place, when
you jump off a
cliff, just say
that you are
okay.

What are
you
doing?

Wha

Uh..

Whoooo

Ha..

You looking for trouble?

And that's something I can't overlook!

You've got guts, girl brat.

Doing things like that with my master's borrowed power!

Bad-temper!

Girl-brat?

A lowlife speaking so vulgarly

I don't understand what you are saying but I'm gonna break your nose!

What, what, calm down

This girl is probably...

Can't you tell?

You too are quite a hot-blooded girl

You think a spider like you can win against me?

Nube-
sama

Please don't
tease my
friend so
much.

My fa-
miliar
was
rude

Shino-
san..

What a
pain in
the ass

Anne-
tailed
fox.

Even so,
you really
have funny
faces on

What kind of person is Shineda?

Hey

It hasn't been long since I came here, so I know nothing about those two

With Master. What's their relationship like?

But Shino-san's not a person who would steal other people's or things' hearts.

Everything you can see and hear... he loves everything equally

Dunno, I wonder what's it like

Really?

He's usually like that

I like Master the most

I don't really care about the rest

Yeah

The course of events scared him because males who can't make children have no value. Then he couldn't take it anymore.

Females are scary

But my friends who can accept their fates without resistance, are terrifying, too

That day, the
voice that pen-
etrated the
boundary,
echoed all
over the
mountains and
apparently
frightened
many people.

坊主と蜘蛛一肆

What is this?

Sou-san, please calm down

Oh...

Is it because of me?

Not a human

Sou-san

Ah

L

He's a monster!

Sou-san!

He's a...

Did you too
think that
Sou-san was a
human?

What
are you
talking
about?

Master.

What
is he...

What
happened?

I knew
I was different
from the
others

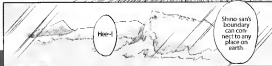

Master's a
human,
right?

Master?

I under-
stood it

Wooah

The mountain is abundant but even the most skilled hunters avoid this dangerous mountain.

I've heard that in the mountains there are a lot of wind holes.

They found only the woman at bottom of the mountain.

And then year and half later

One time a hunter entered the mountain and lost their way.

Another belly was swelled and ready to burst.

That woman had become like with-out a soul.

The hunter's wife went search for her husband with out caring about the village's warnings and so she disappeared.

She
then
died
later
that
day

After a
while the
lady
gave
birth

No matter how
many times
they asked the
lady that had
lost her mind,
they couldn't
figure out the
child's father

The child
that was
born was
me.

Anyone
would think
that it was a
bad omen

I grew
up being
passed
around
my
mother's
relatives

But no
matter
how much
they hated
me, I was
all right

I was
only a
nuisance
to the
villagers

Our game was
done some-
thing stealthy
behind adults'
backs and
then running
into the
mountains

Playing
with
them
was the
same as
playing
with
cats and
dogs

You
could
see them
usually
didn't
usually
I would
not
know

It's no
good,
we can't
find
him

What
about
that
side?

Hey!

We
should
not
have
done
that

Shut
up!

Whatever
has hap-
pened,
you're just
making it
my fault!

Hachisuke
was seen
running
after you
into the
moun-
tains.

How
should I
know?

You, what
happened
to Hachi-
suke?

In
the
end

They took
me to the
millstone
and fastened
me there
until I couldn't
move any
more.

The men
who went to
the millstone
to look
for the
skeletons got
separated from
their group and
lost to their
deaths.

Why
would
they do
some-
thing
like that?

Why?

And
then
they
tossed
me into
a hole.

Why?

Why
not
be
happy
right?

I thought
that I had
to come
back here
one day

If a child that
was supposed
to be dead
came back all
grown up,
what kind of
faces would
they make?

Fuh

Ahh

Or have they
already for-
gotten about me a
long time
ago?

Would they
be amazed or
would they
return-
reasonably
blame me?

Ah

I thought I should go and see the looks on their faces

Whichever it is, it doesn't matter

How stupid.

I thought I should go and see the ones who'd been so frightened of me

Even after that idle gossip

Ha ha

Today,
you
have
two
arms
out

Do you like it
more when I
have my
other arms
out too?

Yeah

Ha

Just
when we
were
happily
monsters
together

You
really
do look
like a
human

Master,
I love
you!

Master
?

But
you're
good
either
way

I'm just
gonna
rest my
eyes...

Are you
going to
sleep in
again?

I'm just
sleepy
after all
this

Oh

WEB

Well, just to
be on the
safe side, I'll
wrap you in

Please
wake up
before the
winter

What's
that?

What
do you
think I
am...

His
corpse
had
dried up
com-
pletely

One
morning
when I
woke up,
he was
dead

I didn't
under-
stand
what had
hap-
pened

Well,
he was
already
quite
old

Do
people
die that
fast?

Just like
what you
said, I had
slept for
who knows
how many
years.

That
granpa
must have
been so
worried

Was he
like that
for a long
time?

I think he
didn't even
go to a
village while
I was sleep-
ing

Che...
Cheer up!

But I absolutely
don't want you
to die

I'm fine
with you being a
monster
or a human

Even though
I'm a monster, I
still keep gathering
guys around me
who try to be
like humans

That's why
I'm happy
about
Master not
being a
human

together
gather

After all,
destiny
tied us
together!

Where are
you facing
and then
saying
that?

I love you

Master

Please be together with me always

I haven't said anything and you still weren't going to forgive me?

But I'd never forgive you!

You hate me?

It's no good if this is not a female?

It's fine if you sometimes play with a female

Don't you want to be with me always?

What's with that "Haa..."?

I think
that you're
a nice guy,
too

Why'd
you push
me down
again?

Watch
it

Hey

Since
Master's
not a

Are
you an

But

Aren't lumberjacks always carrying horrifyingly big saws?

But isn't this a lumberjack's hut?

It's okay if you want come in.

Is this about Demon blade-saw?

I've heard that there's a saw that can even kill demons

I don't have a knife, let alone a saw

As you can see, I'm alone

Really?

Yeah

坊主と蜘蛛一伍

I don't care if you resent me.

He made me look like a greedy woman!

What an rude brat!

Don't say those shameless things you shitty monk!
You just grouped together and used foul play!

From a lady that was really bad.

Look in.

You've gotten a lot better at fighting against women. That's why we're going to train talking a bit more.

Yeah.

That's really bad?

Ms. Cow-demon, please calm down.

I have protected that mountain who knows how many hundred years

However, the daylight that shines sometimes in, is of course very beautiful

My mountains so dark

that's chilly even in the summer

If it goes on like this, the mountain will soon be dark indeed!

The people are...

They are stepping into my territory and cutting away trees as they like

Ah— You really should stop that

As long as they're destroying my mountains, I'll keep saving them as much as I want

And because of that, you attacked them

That's right

Even now I'm saving people

Indeed, I'm
not good
nor human

You
no-good
human!

And I've
got my
reward
already
here

That's why I
don't feel like
dealing with
you just for
human's con-
venience

What's
that?

If you'll
attack any
more
humans, I'll
have to ex-
terminate
you.

In-
stead...

I'll make an
agreement
with the
humans

How
self-
ish...

Consider-
man,
stop using
people
They're
just cutting
themselves
to make a
living

Dangling my favorite drink as a bait in front of me is really crafty.

But I'll still accept!

Sake, you say?

And your deep pool where you live will be ensnared and you will be offered sake at intervals of the seasons.

I won't let them cut trees in a way that harms the mountain.

I'll make them plant new trees after they cut down old ones.

Don't you touch me so overly familiarly!

Do...

Since you calmed down I'll forget about this predicament, too!

If the agreement will be broken, I'll come and eat you first!

Really?!

Eek

Uwa

If you get jealous from something like that, you won't be able to take it any more

I got it, I got it!

So would you the stop touching me too familiarly!

If you don't want to talk, pass me those empty plates

What now

Who. What? Jealous?

Going out with a womanizer like that is probably really hard

Oh

Sou-san, the bath is ready now.

It's been a while since I've been in a hot spring

Jin-kun, aren't you staying here tonight?

Is it okay?

Of course

I wonder if
Master is bored
every day

Haa...

To my eyes,
you two look
very affectionate

But I'm
not good
with them,
and I get
so jealous

Master actually likes
girls

I hope
it's like
that

I think he's
just put-
ting up
with me

Because
Master's so
nice

Why he
still worrying
about some-
thing like
this...

Oh my...

Master
would
be with
me with
pleasure

So
maybe
I'll
become
a beauti-
ful girl.

That
about

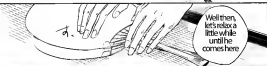

Yeah!

Now it's
your turn to
wash Sou-

Wasn't
it?

Aaah~
That
was so

Well then,
let's relax a
little while

It's not like I
seriously
want to be

Che

Everyone really
does want to
do it with a

I wonder
if I'm the
weird

In that case I wonder what I should do

Asuke will sit

Come sit in front of me

Jin, take this

I wonder what I could do for Master

I've never drank it before..

Do you drink sake?

Asuke cup!

Please take it

Just testing it will be fine

Keep me company

You are a splendid man too, right?

I still have
some bad
points in me,
but I'm going

I guess that's fine

I thought I'd say something like that but...

A good husband doesn't keep you up all night long

Ku

I'll be expecting the best

Yeah!

Right, husband?

At least to me that kind of a husband fits me really well.

After this mess we

After she asked the cat-like creature to marry her

The one who was actually being haunted was his daughter

I just understood that he likes making me jealous

But anyway here's a gift to you from her

That's just something a girl with no hair under there said

"For helping your friend get well soon," she said

but I know
that he
likes feel-
ing good

You don't want to say something like that, right?

Hey, try saying it Master

How your body feels like...

But you're already so hot inside

Uh...

Just try it

Say it

What's it like here?

Look, here

Ash

Sometimes
he gets
angry

I'll go
nicely
along
with
your
mood

Are
you
an
idiot?

Wah

Are you
even
listening?

How
huh?

Master really
is super
strong

He broke
my...
web

And
my ass
is starting
to throb
so bad
I can't
take it
any-
more!

Don't
be so
nit-
picky
and
just
put it
in me!

And his
face
when he's
angry is
lovely, too

Who just
suddenly
pushes
everything
in...

It
calmed
down
already!

Waaah!
Master
you idiot!
Wasn't
your ass
itching to
do it?

Shut up!
There's a
limit to
every-
thing!

You
just
said to
do as I
please!

王子と蛸

Brother

Brother
Yahiro!

Oh,
Toyo

To just
leave on
ceremo-
ny's
ending
day

You're saying
that because
you won't go
to Nanad's
place as quickly
as possible

A
bull's-eye,
right?

Saying
here any
longer
would be
unneces-
sary

Saying
some-
thing like
that

The Palace of
the Dragon
King rule is
that the men
will stay at the
castle until
they've come
to age

Empress
Oto-
hime's
firstborn
Yahiro

What
about
Toyo
sama-
hime

This is
so
unfair

I can't
forgive
you for
going
to the
surface
just to
bang
men!

What
...

What are
you
saying?

王子と蛸

Because I trust her I go openly to hostess bars

The main point is that I trust my wife!

Surface
Somewhere in Tokyo

Are you listening, Nanao-chan?!

But when my wife heard about that

There's nothing to be ashamed of so I don't have to hide anything

And if I say a shop's girl cute... There's nothing shady about that

They really are~ Right~?

I'm listening

Your honest feelings and whole-hearted thoughts are admirable

It's good that he had fun

He got completely used to this

It's unusual for human beings to come beyond Shino-san's boundary

There are people who see the sign but just don't care

My boundary's the same as a sign that reads, "Be careful when advancing."

Nekomata

Nekomata

Nekomata is an anime-style character.

He's called for Shiroda

I guess they're just drawn here

Well, there are people who're sometimes close to this side

Last time I was on surface was 500 years ago...

I've been anxiously waiting for this day for so long

By the way Nanoo-sama, didn't you promise to meet your lover tonight?

Yes

Having a prince is a
great
sounds like
something
out of a
fairytale

He's Oto-
hime's
firstborn,
prince
Yahiro

But ap-
parently
he's not
the suc-
cessor to
the throne

Oh, is
that
so?

Yes

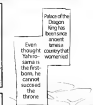

Isn't he a
prince of
the Palace
of the
Dragon
King?

Yes

Oh my

On the con-
trary, when
comes of
age, he will
be ex-
pulsed
from the
palace

Palace of the
Dragon
King has
been since
ancient
times a
country that
womened

Even
though
Yahiro-
sama is
the first-
born, he
cannot
succeed
the
throne

That's
true

But thanks
to that rule,
you'll be
able to
spend time
on the sur-
face at ease

It's outra-
geous
that the
rule af-
fects
even
Yahiro-
sama

Brother: the one who tops in a sexual relationship between men

I'm so
ashamed

What
500
years?!

I'm relieved
that your
sincerity
hasn't
changed a
bit in 500
years

I forgot the
time flows
differently in
the Palace
and on the
surface

Oh
yeah

You're the
same as
ever

I was eager
to show you
how much
I've grown

Having
finished
the ceremony
of coming to
age

I showed
shameful
sight to
you and
your close
friends, too

Even though you've been alive for hundreds of years

And you fell asleep worrying!

When I realized it, sun was already climbing the eastern sky

You had pre-posed for it so much, you idiot

At that time he was already gone...

I was surprised too

I have some business to take care of in the world of humans...

七尾様

Maybe he got tired of my cowardliness

Of course not

Why would he do that much and then just stop

And this letter was left there

Even though here's a great guide that has lived in the human world for 500 years!!

Ah... Yeah?

Sightseeing?!

Maybe he went to sight-see the new world.

Maybe I was the only one excited about this

...Maybe

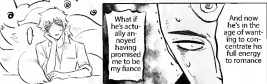

But we're talking about kind Yahi-ro-sama

If that's the case he should have just said so

He's really just saving my feelings

When we agreed about our future relationship, Yahi-ro-sama was just a boy

What if he's actually annoyed having promised me to be my fiance

And now he's in the age of wanting to concentrate his full energy to romance

If possible,
I would
have
wanted to
go with
him, but

Maybe he
really did
just go for a
while by him-
self, just like
Shinoda-
dono said

That's
good

This is really
delicious

Maybe me
following
him all the
time would
get annoy-
ing

Yahiro-
sama

I,
I am
lonely

But to fulfil my promise with Toyo as soon as possible, I have no time for resting

Brother Nanao is probably so angry with me

The dawn came again

At any rate, choosing people is hard

Since they're just a playmate, if their face is nice, anything's fine

Since I'm not really looking for someone who I can befriend with for the rest of our lives...

Yeah-I guess so

Is that him?

Wah

That idiot!!!

Brother, ask the men that seem nice properly!♥

Like I could choose who my little sister dates!

Whaaaaaa

aaat?

DAMN
YOU, YOU
LOW-
LIFES!

MOCKING US
SIBLINGS ALONE
AND THEN
GROUPING
AGAINST ME
WITH A CLOQUE.
IS VERY COW-
ARDLY

The ones
who want
to die, step
forward

Oh my
This is
really
bad

Yahiro
sama
?

Ya

That's
not just a
threat, if they
move foolishly,
everyone there
could really die

Yahiro-kun
is from the
Palace's
family

In any case,
we must stop
Tahiro-kun

There must
be a reason
why...

You should
go there

Huh?

Tahiro-sama
is originally a
recluse person
who doesn't
like conflicts

Apolog-
izing is
too late
now

This
brat...

You
are...

Are you
scared?

How
long are
you in-
tending
to chat?

That was
unfrec-
quary

Now we
can go
back
without
them no-
ticing us

This is a
boundary
made hastily
with the help
of Shinoda-
dono

They'll be
more or less
confused,
since I used
technique of
forgetting,
but it can't be
helped

I'm
relieved
that it
didn't
turn in to
some-
thing
serious

Break
the
bound-
ary!

Those
guys in-
sulted
my little
sister!

They
called me
a sister
selling
pimpl

Yahiro-
sama

Are you
saying to for-
give those
people who
insulted my
sister?

Those
guys,
I will...

Shut
up!

Yahiro-
sama
please
calm
down

If so,
I will do
it!

You
will kill
them?

I
don't

And if you
will smile
again, I'll
be satisfac-
ted with fail-
ing in to
hell!

If doing
that will
brighten
your mood,
I will
become a
demon
with pleas-
ure!

I have
no one
else
than
you,
Yahiro-
sama

So,

王子と蛸と坊主と蜘蛛と

You should go to Tokyo to for sightseeing

You two have already started living together openly

Obviously.

I and Nabeshi
must be here on that day

Since this
was opportunity
you should eat
dinner there, too

But the
shop...

Play from
morn-
ing till
night

A nightless
town that
shows a to-
tally different
form in the
day and in
the night.

Because of the amount of the pages, details have been omitted

And don't make that grim face at them. You should be more honest about your desires. You must have a lot of things you want to do with your lover you haven't seen in 500 years?

Won't
you ac-
compa-
ny us?

It's joyous
for me
to see
Yahiro-
sama
broaden
his hori-
zons

You did
look after
Jin in the
past

「 get it

Being
more
honest
about my
dreams,
huh?

It was hard
not to be
with just
the two of
us...

Let's give
Shinoda
and
Nabeshi-
ma a day
to close
the shop

Right!
Let's all go
sightsee-
ing in
Tokyo

You're
inviting
us too!
